Schedule B the Lease Rentals

Explanatory notes:

Equipment lease: construction industry plant and machinery

General notes:

1. Time is considered as an essence to any kind of lease agreement. Parties should always take into consideration their mutual obligations towards each other with respect to time. For example. Making timely payments for Lease rentals,
2. The paragraph headings are included for convenience only and do not affect
3. This template is suitable for commercial lease of any immovable property
4. It makes no difference to the agreement if lessor
5. This document is designed to cover virtually all the eventualities that are important in a lease agreement for any industry or plant. There as

Paragraph specific notes:

Note: numbering refers to paragraph numbers.

- 2 Provides alternatives for payment of lease rentals. From Lessor's point of view, it is obviously best to take the full payment in advance. In many cases however, the lease mechanism has been chosen precisely because it permits
- 5 Since the lessor is giving on lease the entire plant including machinery and other equipments that are installed, it can reduce it by a

Security will also protect the lessor in the

7.7

8 Provides protection to the plant against any kind of risk.

Non-payment of premium by the lessee

11 An option is provided to the lessee to buy

12.2 States the independent circumstances under which an “event of default”

13 Provides
