## Explanatory notes:

### Non solicitation agreement

### General notes:

1. This covenant provides for limitations on the extent to which the contractor may solicit the client's clients or customers. During the term of the contract for the contractor to provide services to the client the restraint is absolute. After the

2. An essential ingredient of a legally binding contract is that each party must give 'consideration' to the other; that is to say, for example, money in return
