## Explanatory Notes:

**Loan agreement: company borrower; secured on physical assets; guarantor option**

### General notes

#### 1. Registering a charge

A charge by a Company must be registered in the Companies Registration Office within 21 days. Failure to register the charge within 21 days of its creation has the effect of making the charge void

#### 2. A shareholders' agreement too

If the lender is a shareholder in the borrower, then it should be a party to a shareholders' agreement. This will provide as high a level of control over the

### Paragraph specific notes

Notes relating to the numbered paragraphs

#### 1. Definitions

Note that the definition of "Loan" includes all money outstanding, which may of course

When you edit the document, be careful how you define the security. We have used "Superdigger" as an example. You could use legal terminology but the meaning of the document will be clearer if the security is named explicitly. If there are many items of security list them

“ ”

The definition of interest rates is important. It is not lawful to specify a "penalty" in any contract, no matter what you call it. A claimant is only ever entitled to his “ ”,

It follows that the lender cannot charge “penalty interest”. In this document we have gone some way to enabling the lender to charge a higher rate by providing for a basic rate of interest, which is the sum “normally” due, and for a concessionary rate for good behaviour. In fact, we would expect

( ) 5 % .

The result is of course that the lender gets an additional 5 % if he has the problems associated with a defaulting borrower. This could be challenged by the borrower only if he could prove that the basic rate was a penalty rate. That would depend on all the circumstances, including the actual rates. In practice the fear of

## **2. Interpretation**

Leave these items in place unless there is a good reason to edit or remove. Each of these items has been carefully considered in the context of this agreement and has been included for a purpose.
