For this terms and conditions document, you do not have to explain to customers that you comply with law - any more than you would

As a vastly reduced summary, the important areas of the :

- you do not have a provision where you are assuming implied consent of customer to use his information ;
- if you allow a user to post information to your website, you may not process, edit or change that information without express consent, if such, ,
- Until now, you could simply ask for a tick to a box indicating that your customer or client has read your T&C. That is no longer good enough. You need :
- The most important elements of data to consider are personal data and any data which you want to use -

Paragraph specific notes:

Notes numbering refers to paragraph numbers.

1. Definitions

We know nothing about your business, so we cannot provide you with defined terms which precisely describe what you sell. Most people do not read your terms (even if they have to “tick the box”). The people who do take the trouble to read them are likely to be the sort of
