Comments following the numbered paragraphs

1. Definitions

We know nothing about your business, so we cannot provide you with defined terms which precisely describe what you sell. By all means use the search/

You should first decide on the contents of the document, then return to check what definitions are needed and whether they really

2. The agreement

It is important to establish the relationship between the contract of employment and this agreement. We have assumed that the contract of employment is well drawn and contains all the legal requirements in addition ().

This paragraph prevents a party from later saying he was relying on some other document or web

3. Your general duties

The terms of appointment are very important. Agree all

Regulatory approvals are generally the prime responsibility of the employer. However, the person on the ground locally may be far better placed to deal with local bureaucracy. It

The employee has been given the obligation to keep up with new law relating to the products. Different jurisdictions take different views as to the importance of consumer protection laws.

This may be the best place to add

4. Commission payment procedure

We have provided a set of terms. Change them as you need,

5. No competition

Often called “covenants in restraint of trade”.

6. Termination
