5. After the transaction has been agreed

The agreement is designed on the assumption that the buyer pays cash on collection. This paragraph however, provides an option for a situation where the seller retains

6. Seller's warranties

The warranties favour the buyer. The way to deal with warranties is not for any to be deleted, but rather for them to be "qualified" by declaring the problems in the first schedule, by listing them and setting out the details of any departures from the warranties as
